

## QUALITY POLICY STATEMENT

AC SYNERGY SYSTEM LIMITED Nigeria, is committed to providing dredging and other construction services that satisfies our customer's need and expectation in a timely manner while complying with applicable legal requirements and standards. We are committed to continually improving how we deliver our services to our customers through the understanding of their requirements and application of consistent methodology and disciplined processes.

We are also committed to working with suppliers and customers in maintaining the highest quality standards.

AC Synergy system pursues a policy of recruiting the competent persons and developing their skills through training to enable them to achieve and maximize their best potentials

In the pursuit of excellence, customer fulfillment, employees' satisfaction and good ROI for investors at all times, we implement and continuously improve our Quality Management System in accordance with the requirements of ISO 9001:2015 Standard.

Accordingly, we:

- Have established appropriate quality objectives.
- Communicate quality issues to our employees and other stakeholders as needful.
- Expect all employees of ACSSL and external parties identified in the quality management system to comply with these policies and with the Quality management system. All staff, and certain external parties, will receive or be required to provide appropriate training.
- Have documented this policy and updates it when changes occur.
- Provide all the resources necessary in terms of infrastructure and ongoing staff training, to ensure that the company delivers on its quality commitments.
- Review all activities mentioned above periodically.

Top management ensures that the quality policy is communicated to all employees and other interested parties.

Management reviews the quality policy which is also documented in **ACSSL-502-F** annually or as required at management review meeting to determine the policy's continued suitability.
